

Big Shanty Intermediate Presents

# House Color

# PENNY WARS

March 1<sup>st</sup> – March 10<sup>th</sup>

The goal of this fundraiser is to be the house color with the most points at the end of the “war.” You earn points by putting pennies into your house color’s jug.

Each penny is worth one point for your team. However, other teams can “sabotage” your jug by putting silver coins (nickels, dimes, quarters) or paper (bills) into your team’s jug.

Face value of silver and paper is DEDUCTED from the jug’s total (of course, all of the money helps Big Shanty’s STEM and PBIS program)!

The winning house color gets lunch on the stage (pizza) AND a homework pass!

Remember, it’s easy to make the race closer if you fall behind. One team’s 500 point lead can be immediately erased by a \$5 contribution (sabotage) into that team’s bucket!
